SPECIAL NOTICE

A group Aerial photograph will be taken on Saturday, May 17, 2008
At 3:00 PM (weather permitting)

The idea of this photograph is for everyone to be holding a sheet of paper a color of the Rainbow (as designated or by choice) and to be arranged on the football infield into a rainbow shaped group with your face showing above the paper.

If we have enough participants, the design could be changed to include words, other colors, designs and shapes. The picture will be taken by Helicopter from above the infield then viewed on the web site mentioned above. Photos can be purchased onsite with 50% of the proceeds going to Relay For Life!

**Photography will be provided by
